

THE INVESTORPORTAL

WOULD YOU LIKE TO RECEIVE
INFORMATION ELECTRONICALLY
FROM THE COMPANIES?

As a registered investor in companies and investment funds, you will often be able to register your e-mail address on their InvestorPortal.

By registering your e-mail address, you will be able to receive information on AGMs, annual reports, etc.

How to register:

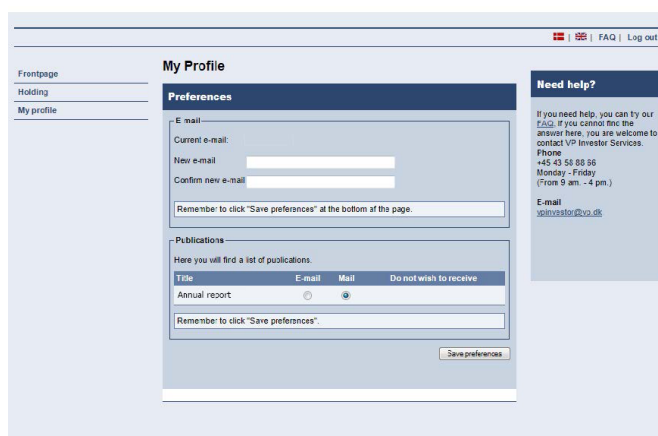

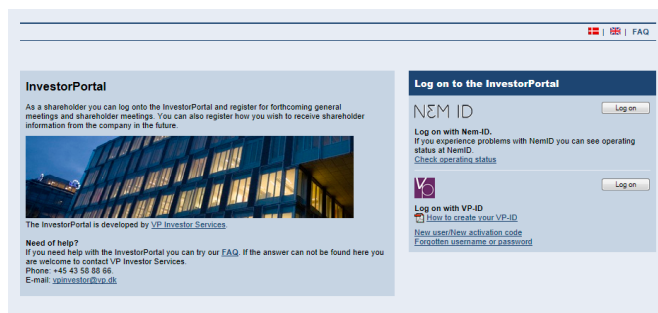

1. Find the company and investment fund's InvestorPortal on the company's website under "Investor Relations".

You can also search for the InvestorPortal via Google, by entering the "Name of the company/investment funds + InvestorPortal" in the search field.

2. You can log into the company's InvestorPortal using your NemID or a VP-ID. NemID can only be used if you have a Danish CPR number. If you do not already have a VP-ID, you can order this on the InvestorPortal*.

After you have logged in, find the "My profile" menu item. Here, you can state your e-mail address and select the information you wish to receive from the company or investment fund.

*You will receive your VP-ID by post when you have ordered it.
